### The Rolling Thunder Fun Factory Roller Derby League Discount & Rebate Sponsorship Program

Rolling Thunder Fun Factory (RTFF) supports roller skating and roller derby in many ways. We love roller skating, roller derby and sharing our passion for both. We skate and teach roller skating for fun, fitness and roller derby. In our continuing effort to further serve our growing community of derby girls, we offer roller derby leagues a discount & rebate sponsorship program with benefits for everyone.

Here's what we'll do for you:

1. Provide a league-specific coupon code good for a 15% discount on any new pair of skates (minimum \$99) purchased in our Bloomington store or our online shop.
2. Provide a league-specific coupon code for 10% off all purchases in our Bloomington store or online shop. (No minimum purchase required for 10% discount.)
3. Place your league's logo/graphic and website link on our website. (League supplies the logo/graphic and web address for us to use.)
4. Pay your league 3% rebate based on online sales using your league's coupon codes.  
NOTE: This applies to all online purchases made using your league's specific coupon codes by anyone, regardless of league affiliation. Share the codes any way you like! Online purchases, using your league's coupon codes, by friends, family members, co-workers and/or visitors to your website mean more rebate dollars for your league. (3% rebate offer applies to online sales only.)

Here's what we expect you to do in return:

1. Place our logo/graphic w/website link on your league's website.
2. Provide ad space in your home bout programs. RTFF will provide artwork.
3. Provide 2 or 4 tickets to your league's home bouts. We attend as many roller derby bouts as possible and would love to see your league in action, too. (We may occasionally share these tickets with our derby-addicted friends or to introduce new people to roller derby, but we never sell or otherwise profit from such league-provided tickets.)
4. Look to us for your skating equipment and derby gear needs.
5. Share your love of roller derby and roller skating with others.

Term of program is one year. Coupon codes activated immediately upon acceptance and link verification. Rebate paid to league quarterly.

To get started today saving on all your skating equipment needs and earning cash for your league, contact Veronica; AKA: Truly F Obvious, derby girl, co-founder of Bloomington's Bleeding Heartland Roller Girls and co-owner of Rolling Thunder Fun Factory, LLC.
